General Health Directorate  
Pharmacology Department

Issue no: 802/s  
Beirut, on 11/08/2008

### CERTIFICATE OF GOOD MANUFACTURING (GMP)

The chief of Pharmacology Department at the General Health Directorate hereby certifies that:

- 1) The drugs factory of Benta company s.a.l which is situated in the region of Zouk Al Khrab – district of Metn – province of Mount Lebanon in real estate no. 104 is officially authorized under no. 288/1 dated on 5/5/2006, modified by resolution no.305/1 dated on 10/5/2007 and resolution no. 688/1 dated on 17/9/2007, to manufacture specific and regular compositions that are agreed upon by the technical committee at the Ministry of Public Health, and stipulated in article 61 of the law of practicing the profession of pharmacist in Lebanon, dated on 31/10/1950 and article 54 of the law of practicing the profession of pharmacist in Lebanon, dated on 1/8/1994.
- 2) The above-mentioned factory is equipped with technical machines and equipment for this industry according to decree no. 12063 dated on 12/2/1963 and legislative decree no. 106 dated on 16/9/1983 concerning the establishment and investment of drugs factories in Lebanon.
- 3) After examination of the factory by the drugs factories' committee on 6/5/2008, it appeared that the mentioned factory is applying the principles of good manufacturing and control according to the resolution of the Minister of Health and Social Affairs no. 1/35 dated on 20/2/1985.
- 4) This certificate is valid for three years starting the date of inspection of the factory i.e. until 6/5/2011.

Chief of Pharmacology Department by proxy  
Dr Samia Ghazawi Tarbay
